SKILLS

HTML5/CSS3, SQL, Sketch3, Web Development/Design, Photoshop, Management, Business Intelligence.

EDUCATION

The College of St. Scholastica 2011-2014

B.A. Computer Information Systems

Minor: Management

PROJECTS

Priya Project Website- Designed and built from the ground up a Wordpress website for a local Duluth nonprofit.

YMCA Mobile Responsive Website- used Wordpress to alter an already existing website by creating a child theme to adapt to mobile devices

India Business Intelligence- Researched how Indian business owners used Business Intelligence within their company or companies. My final project was a report as well as a presentation of my findings.
